

SPRINGER CAPITAL

INTERNSHIP COMPLETION CERTIFICATE

This is to certify that Gaurav Kakde has successfully completed his internship as a Data Engineer Intern at Springer Capital Investments LLC from 1 December 2025 to 1 March 2026.

During the internship, he demonstrated strong professionalism, analytical thinking, and a proactive learning attitude. He actively worked on data engineering tasks including building and managing data pipelines, working with workflow orchestration tools, handling data extraction and transformation processes, and using version control systems for project management.

Throughout the internship period, he consistently displayed strong attention to detail, problem-solving capability, and the ability to work independently as well as collaboratively within technical teams. His dedication and disciplined approach contributed to the effective development and management of data workflows.

We appreciate his contributions and wish him continued success in his academic and professional endeavors.
